KidSafe

KidSafe: A Parent/Child Workshop to Keep Your Youngsters Out of Harm's Way

Grades K-5 with parent

Today's news is filled with stories of child abuse, assaults, and Amber alerts. Keep the magic of childhood safe in this low-key, friendly, and age-appropriate safety skills class for girls and boys ages 5-9. Learn about risks facing your kids, how to frame the discussion with children, and recognizing when someone may be targeting your family. Children will practice the "five fingers" approach: think, yell, get free, run, and tell. Parents learn tools to continue the conversation, as well as to sort through all the information and misinformation on keeping their children safe. A single 1½ hour session works with young attention spans, and gives parents ample tools to keep your family safer.

Polly-Glot Tots

Polly-Glot Tots was founded in 2007 by a mom with a dream of bringing the wonder of her multi-lingual upbringing to other children. Their mission is to offer engaging and affordable language immersion classes for children, and to foster a community of families interested in bringing foreign language and culture into their homes.

Spanish for Preschoolers

Ages 1 to 5 with Parent

Polly-Glot's lively Spanish immersion class integrates play, music, movement, and art to engage children and connect the foreign sounds and words to everyday items and activities. Taught entirely in Spanish, quarterly themes are brought to life through music, stories, and games that are often familiar to parents and easy to repeat in the home. Weekly vocabulary and lyrics are provided so parents can reinforce the language outside of class, whether or not the parent has previous language experience or fluency. Please bring \$8 materials fee payable to the instructor at the first class; exact change is appreciated.
